

Bishop & Company Chartered Professional Accountants Inc., has an ideal career opportunity for a Chartered Professional Accountant at the manager or senior manager level who is looking for the satisfaction and career development that comes from working with owner-managers in the small and medium-sized enterprise sector.

Our long established Firm has a **reputation** for exemplary client service; we are available to our clients when their needs arise. We have developed **expertise** in the many sectors which engage our clients.

We celebrate our **people**; they are resourceful, engaged with our clients and rewarded by their successes and the role we play in that. We nurture a **culture** of high performance.

We support our **community** and give back in a very big way.

The best part of our day is our **clients**. Like us, they are owner-managers who are invested in small communities yet they have the courage, vision and resilience to be world class and meet the highest standards. We learn from our clients and grow every day!

If you are ready to invest the energy and personal resources to fully engage in this opportunity to join our team, please reply with resume, references and salary expectations, in confidence, to:
